

Music Production, Mixing and Mastering Courses

Services Available:

Music Production:

We offer music production courses in Ableton Live 9

Cover most EDM genres

We can tailor courses to meet individual needs.

Mixing and Mastering:

We offer intensive mixing and mastering courses to help you create tracks that are loud and clear for release.

We can also master your mixes for you or you can sit with our engineer and master your track together.

Disk Jockey:

Technics MKII, Pioneer CDJ 1000 or Ableton Live, Traktor and Serato

Please visit do like our Facebook page and see more details on the studio:
